

Date: January 1, 2020

To: **Members of the Public that wish to help the GBCTA by working on trails within West Bragg Creek Kananaskis Country or Rocky View County**

RE: GBCTA Open Letter to Aspiring Volunteers

The GBCTA appreciates and welcomes all requests to help with the trails in West Bragg Creek and Rocky View County. Due to the agreements GBCTA has in place with Alberta Environment and Parks and Rocky View County, any persons working on the trails must be either GBCTA employees or contractors or trained volunteer workers. For safety and liability reasons members of the public should not be doing any work on the trails unless they are volunteers with GBCTA and have undergone proper training and orientation.

Should you have interest in volunteering for trails maintenance or building, the GBCTA requests that you first contact the GBCTA at [info@braggcreektrails.org](mailto:info@braggcreektrails.org). This is to ensure the work you wish to do:

- 1) Is in conformance with applicable safety and training requirements and your safety is ensured;
- 2) Meets the GBCTA insurance requirements; and
- 3) Aligns with our operations and maintenance plans and requirements.

Your support of the GBCTA is greatly appreciated.

If you have any questions or feedback on this matter, please email the GBCTA.

Thank you for your understanding and cooperation.

Sincerely,

Conrad Schiebel, President, Greater Bragg Creek Trails Association (GBCTA)

**The Greater Bragg Creek Trails Association**  
Box 1379, Bragg Creek, AB T0L 0K0
